Re: Proposed Annexation No. 2  
to the City of Bellflower

Dear Miss Lewis:

At the meeting held on October 29, 1958, the County Boundary Commission reviewed the boundary description and map submitted by Carl E. Berry, City Administrator of the City of Bellflower, with his letter of October 15, 1958, of the proposed annexation of territory to the City of Bellflower.

The boundaries conform with existing street right of way lines, except along Allington Street just west of Palo Verde Avenue.

An island of unincorporated territory, lying southwesterly of this proposed annexation, is created between it and the boundary of the City of Lakewood.

Upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

GORDON T. NESVIG, Secretary
